INTRODUCTION

Find typical mounts big and bulky? Well not this one! This is one of the slimmest mounts out there. This is a one piece mount that allows you to just clip it to the vent directly. There are metal plates that magnetize the phone to the vent and help it stay secure and prevent it from falling. Stay safe and on track while driving

PACKAGE CONTENTS

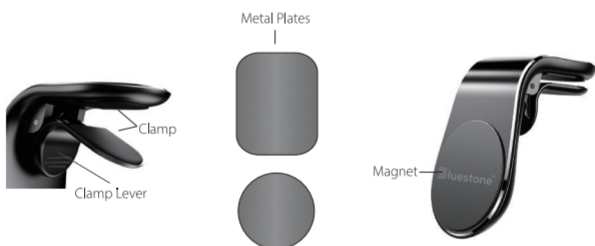

1x Air Vent Mount
2x Metal Plates

HOW TO USE

- 1) Unbox your mount and make sure you have all 3 items
- 2) Place mount on air vent using the clip on the back
- 3) Next take a metal plate and place it on the back of your phone with the adhesive side or inside your phone case
- 4) Remove the film on the magnet part of the plate
- 5) Lastly, take your now magnetic phone and put it up against the mount for magnetic security
